

# GRANT GOALS

**comm3<sup>T</sup>01**  
equipping our students for the future

Upgrading the television studio and remote production systems.

Enabling the University to continue providing a local-access news and information channel, as well as sports broadcast programming for local high schools and the University.

## STUDENT PRODUCED PROJECT

Waynesburg University students learn by doing. Projects, such as this one, help our students GROW.  
Designed by Elaina, junior digital design major.

The **Stover Foundation** has provided a challenge grant for the Department of Communication.

For every **\$1** you donate, it will contribute **\$3**, up to **\$375,000**. The total goal for the project is **\$500,000**.

Waynesburg University's Department of Communication has a mission to equip our students for the future. Will you join us?
