# Athletics

**All new resident students (including athletes) are required to get a physical exam from their personal physician** (please see *Student Health Services* for more information). All student athletes will also receive a mandatory physical exam once they arrive on campus. Student athletes must also fill out athletic department insurance paperwork. Those who have not received the athletic department paperwork or have misplaced it, should contact your head coach. **Student athletes WILL NOT practice until both the physical exam and all insurance forms are on file.**

## **Athletic Equipment**

**Athletic equipment is provided to student athletes at no extra cost.** The cost for this equipment is incorporated into the cost of tuition and fees.

Each sport conducts some type of fundraising campaign by the student athletes to help finance the cost of trips.

## **PAC Complimentary Passes**

**For sports that charge an entry fee, each student athlete is given four PAC (Presidents' Athletic Conference) Complimentary Passes at the beginning of the season.** It is up to the student athlete to choose who receives these passes. **The passes provide free entry to any Waynesburg University athletics home game or any away game** at Bethany, Chatham, Franciscan, Geneva, Grove City, Saint Vincent, Thiel, Washington & Jefferson, and Westminster.

## **Class Absences by Student Athletes**

**NO class time is allowed to be missed because of a scheduled practice.** Student athletes report to their practice once they are finished with class. **Student athletes are permitted to miss class time for scheduled games;** however, it is the student athlete's responsibility to get excused from class and follow-up with the professor.

## **Cheerleading**

**Any student at Waynesburg University is encouraged to try out for the cheerleading squad.** The squad attends all home games for football and men's basketball. For more information contact Alison Gray at [agray@waynesburg.edu](mailto:agray@waynesburg.edu).

# Commuting Students

## Parking:

There are several university parking lots (they fill up quickly) where students with a parking permit are permitted to park. Freshmen can complete the Freshman Parking Permit Request Form under the New Student Tab of myConnect. The parking permit is \$20.00 and is available for pick up during orientation at the Office of Public Safety (located on the first floor of the Stover Campus Center). **Parking in a university lot is not guaranteed**, even with a parking permit. On-campus university parking lots are clearly marked; therefore, students should ensure that they are safely parking in designated areas only. **There is free on-street parking available surrounding the campus.**

## Food Service:

Commuting students may purchase a Five-Meal Plan for \$1,025 per semester, which includes any 5 meals per week **PLUS \$300 flex dollars**. Meal swipes for the 5 meals per week may be used at Benedum Dining Hall (all-you-can-eat) or at the Bee Hive (meal exchange equivalency). **Flex dollars may be used at those locations and at the Starbucks, 24/7 Mini-Convenience Store and Chick-Fil-A.** Students may also purchase individual meals and snacks without a meal plan at any of the dining facilities, which accept cash and credit card payments.

## Health Services:

**All students are required to complete a Medical History Form and be up-to-date with all immunizations.** All completed forms must be returned to Health Services. Students have access to the university nurse and to physician assistants who provide health services on campus. **For more information, see the Student Health Services page.**

## Academic Services:

**Commuting students have access to the Knox Learning Assistance Lab as well as every computer lab on campus.** Students also have access to peer tutors, writing lab, and math tables.

## Student Services / Student Activities:

**All students pay a student activities fee.** We encourage the students to take advantage of all programs, trips, and student activities offered. There is an active Student Activities Board (SAB) that plans events for the campus. **The SAB meets every Thursday at 11 A.M. on the third floor of the Stover Campus Center.** All are welcome to attend.

# Counseling Center

## **Where is the Counseling Center and how does a student make an appointment?**

**We are located on the third floor of the Stover Campus Center.** Counseling is confidential and free to Waynesburg University students. **We are open from 8:30 AM – 4:30 PM weekdays.**

**What issues does the Counseling Center address for students?** The Counseling Center can help students with academic, career and personal concerns. We work with students to help them improve their study skills and explore major/career options. We also counsel students with a variety of mental health issues such as anxiety, depression, post-traumatic stress, eating disorders, relationship concerns, grief and homesickness.

**What credentials do the counselors have?** All three counselors have Master's degrees, extensive continuing education credits and state licenses to practice counseling.

**My student takes medication for depression. Do you have a physician who will prescribe it?** We encourage students to continue to see their home physician. If this is not possible, we can refer students to a local psychiatrist for medication and/or related matters.

**Will counseling become part of my student's academic record?** No. Counseling Center records are accessible only to the Counseling Center staff.

**My student has not decided on a major. How can you help?** It is quite common for a student to begin college with an undecided major. Our staff specializes in

working with undecided or "exploring" students and offers a Career and Life Planning class that helps students clarify their career goals.

**Will I know if my student is receiving counseling?** Counseling services are confidential; therefore, we cannot report to parents or anyone else that a student is receiving services. However, when we feel parental involvement is warranted, we discuss the option with the student and request permission to contact parents. Also, if we are concerned that a student may be suicidal, we take any necessary steps to keep the student safe. Generally, this includes contacting parents if the student provides consent.

**Can I refer my student to counseling?** Yes. If you have concerns as your student enters college, or if you notice a change in behavior that worries you, please inform him/her about counseling services. Often, parents call us if they have a concern and ask us to contact their student. If your student has had counseling in the past, or has a mental health diagnosis, please let us know so that we can offer appropriate support. We will be glad to explain our services and invite your student to participate. However, we can only give a parent feedback about participation if the student gives us permission to do so.

**Our counselors would be happy to assist you via email to set up an appointment:  
Contact us at [counselingcenter@waynesburg.edu](mailto:counselingcenter@waynesburg.edu)**

# Public Safety Tips and Information

- It is always important for individual students to be aware and practice common safety guidelines for themselves and their property.

The Public Safety Office is located on the first floor of the Stover Campus Center. **Personnel are available 7 days per week, 24 hours per day at 724-852-3303 to assist with safety and security concerns.** If an officer is not available in the Public Safety Office, please use the phone located on the desk next to the Public Safety office.

- ✓ **Students should report to Public Safety or Residence Life Staff any suspicious activity** or unknown and unescorted persons loitering on or around the campus.
- ✓ **When walking around campus or in town during the evening hours, students should travel in pairs or groups. Any student returning to campus in the late evening and parking in a remote location may request a Public Safety escort to his/her residence hall.**
- ✓ **Students should oversee their personal belongings.** Residence hall rooms and vehicles should be locked when the student is not immediately present. **Report to Public Safety any instances of loss or damage of property and possessions.**
- ✓ **Students should report any incidents of university violations or inappropriate conduct to Public Safety officers.** An investigation will be conducted and a report will be filed. In cases of criminal activity, reports may also be filed with the Waynesburg Borough Police, located at 90 East High Street, Waynesburg or by calling 724-627-8113. **As an educational institution, any incidents involving students may result in disciplinary action. The university disciplinary action does not protect or serve as a substitute for criminal prosecution.**
- ✓ **Identification engraving is available for personal items.** Students may request and check out the engraver from the Public Safety Office with their student identification card.

# Parking / Transportation

- **All student vehicles parked on campus property must be registered at the Department of Public Safety.** Students with vehicles must purchase a parking decal that is **renewable at the start of the school year.** Resident and commuter decals are \$20 and can be picked up in the security office between the hours of 8 a.m. to 4 p.m. Evening students should also visit security for their decal.
- **Commuting students may use designated commuter parking lots on and around campus.** These designated lots are located on Franklin Street, Morris Street, the lots adjacent to the Stover Campus Center, Thayer Hall, and Benedum Dining Hall. **Street parking is also available.**
- **Parking on campus is very limited.** Freshmen resident students are not permitted to have a vehicle on campus without special permission of the Assistant Dean of Student Services. Permission will only be granted for special reasons and with parental support. The application for a freshman parking pass is located on the New Student Tab on myConnect.
- **Parking citations will be given for any vehicles parked illegally or in wrong parking lots.** These parking citations may be paid at the Department of Public Safety Office or at the Business Office. **Failure to pay parking citations may inhibit future registration activity or receipt of transcripts.** Consistent parking in undesignated areas may result in wheel locking, towing or revocation of parking privileges.
- **If the student has car trouble, Public Safety officers are available for assistance.** In some cases, the Public Safety officers will notify a local towing company for assistance (locked keys in vehicle, flat tires, etc.). **The Department of Public Safety does have a “booster box” that can be used by the student.**

# Residence Life

- **Waynesburg University requires all full-time, undergraduate students to live on campus for the duration of their time as a student at the University**, unless the student will be (a) commuting from their parent's permanent home address; (b) that address has been their permanent home address for at least two years prior to enrollment at the University; and (c) that address is within 60 miles from campus. Students looking to request to commute from their parent's home address must complete a **Change of Residency Request Form** located on the **Residence Life tab** in **myConnect**. **This form should be completed ASAP, but no later than the Friday before classes begin for the Fall semester.**
- As a first-year student, there are typically **five residence halls** from which to choose. **If all rooms are filled, students will be placed in temporary housing until space becomes available.**
- **All residence halls have both student resident assistants and a professional staff person.** These personnel are available to assist resident students, coordinate programming and enforce university policies.

## About Residence Living

- **For some students, university residence living is a new experience. Adjusting to a roommate and new surroundings can take time and compromise. Resident assistants and directors are available to help mediate conflict.** Encourage your student to talk with these staff members for any of these issues.
- **Encourage your student to become an active member of the campus community.** While they may want to “hold on” to past relationships, support them in staying on campus on the weekends and being part of the campus experience. **Although student entertainment results from his/her own initiative, there are frequent activities provided on campus.**

# Student Care Packages

**We help YOU take care of YOUR student when they need you! – Finals Week!**

**We know final exams require lots of energy and dedication to stay focused and awake for the best study results....**

We **also** know that shipping boxes of snacks to your student when they need it most takes time and work for you - and we love to help.

**Watch your mail after fall and spring breaks for information on how to order a Care Package for your student.**

- Every student care package includes a **WU gift** (determined during the semester) a **reusable tote bag** filled with their favorite late-night study snacks, and a **personalized note from you**.
- **(Orders must be placed by the deadline, which will be indicated on the mailing you receive from Student Services, in addition to cost and ordering information.)** We recommend placing your order as soon as you receive the information so we can order the appropriate number of WU gifts. **Unfortunately, we cannot take orders after the deadline.**
- **Does your student have an allergy? No worries.** Once you notify us of the allergy, we will make sure his/her Care Package is appropriate.
- **Can commuting students receive care packages too? Even if your student resides with you, they may enjoy receiving a bag of treats for study time at home.** Each of our students look forward to receiving their Care Package with your personalized note attached.

# Student Health Services

The Student Health Services Office is located on the ground floor of the Wiley Armory Building, 61 North Washington Street.

Nurses are available Monday through Friday, 9 A.M. to 4 P.M.

- **Student Health Services is free of charge to all students. We treat minor illnesses and injuries.** If more care is required than we can provide, we will help coordinate the off campus medical care that may be needed. **We provide small amounts of over-the-counter medications and loan out cool mist humidifiers, heating pads, and crutches.**
- **All resident and commuter students are required to have completed health forms on file before entering the University. Any student that neglects to turn in a health form may not be treated by Student Health Services. Any resident hall student that does not produce proof of meningitis vaccine or sign the meningitis wavier form, will not be given access to the residence halls.** Medical forms are located on the New Student tab on MyConnect.
- **Waynesburg University does NOT offer a student health insurance plan.** To find out what individual health plans are available through the marketplace where you live, **visit Healthcare.gov.**

**For emergencies and after-hour care, call Public Safety at 724-852-3303 and 911**
