COVID-19 IMPACT ASSESSMENT

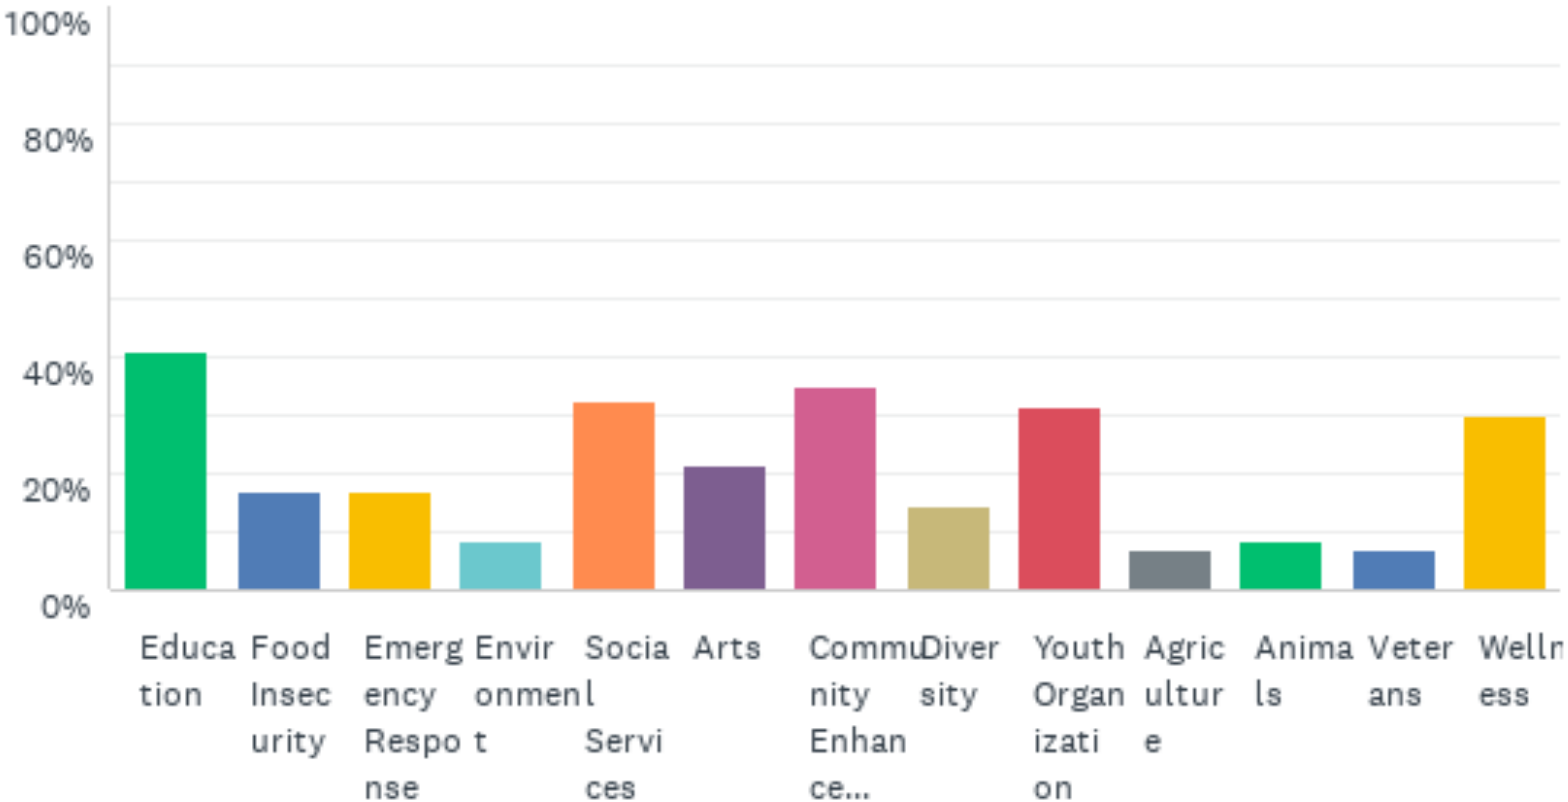

Survey Results from Greene &
Washington County Nonprofit
Organizations

ABOUT OUR SURVEY

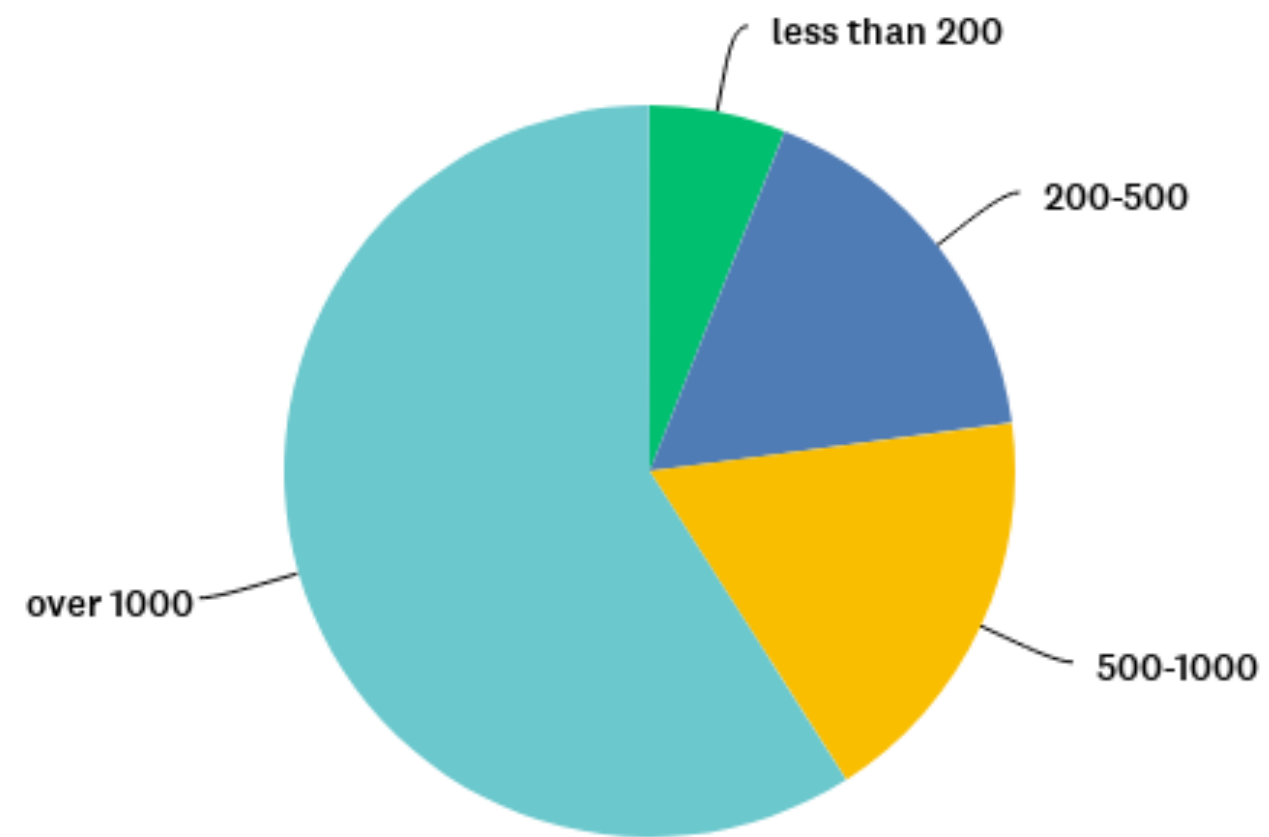

- **2** county focus area (Greene, Washington)
- **270+** organizations contacted
- **83** responses
- **33.25%** response rate*
- **35** questions

to **increase our statistical power, our goal was to reach at least a **30%** response rate*

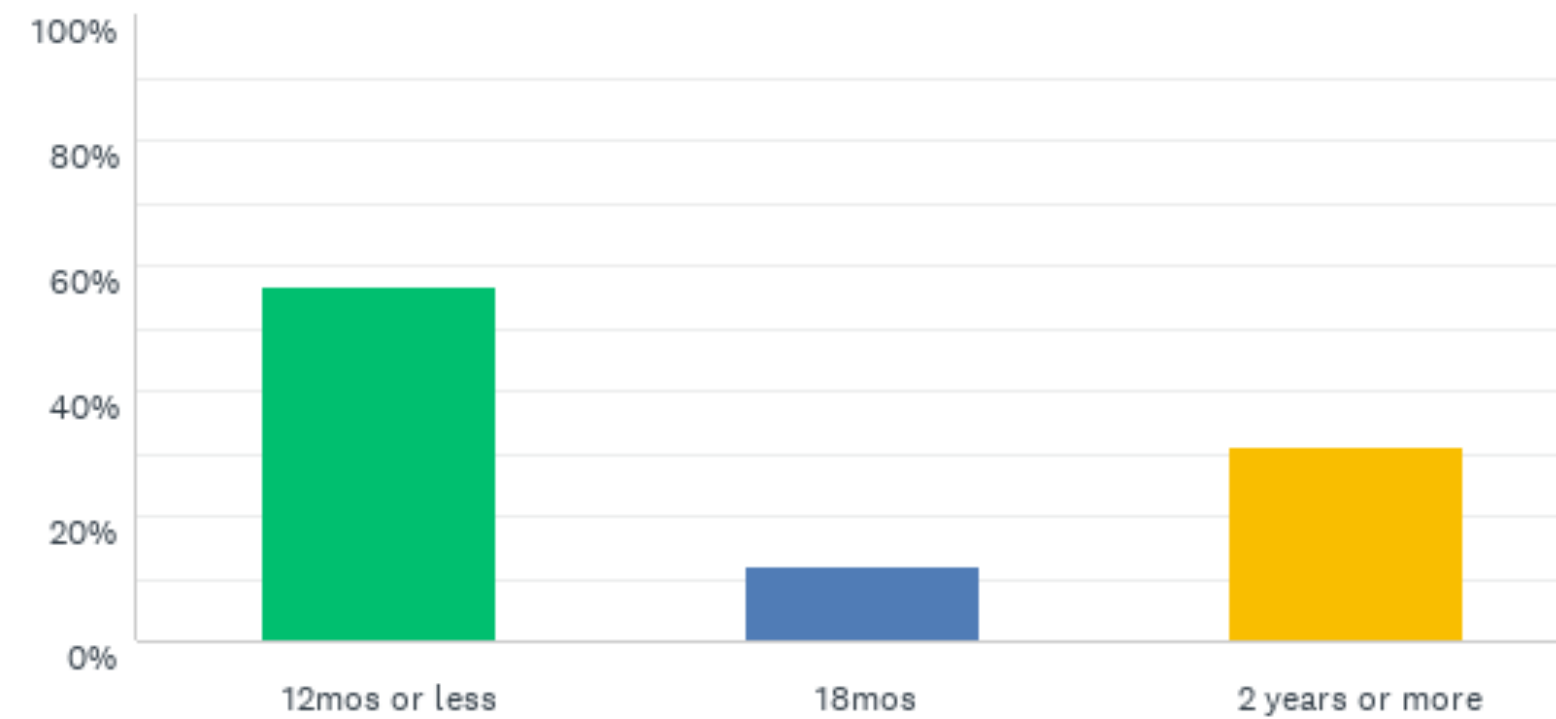

What best describes the areas of your nonprofit's services? Please check all that apply.

Typically how many people does your organization serve annually?

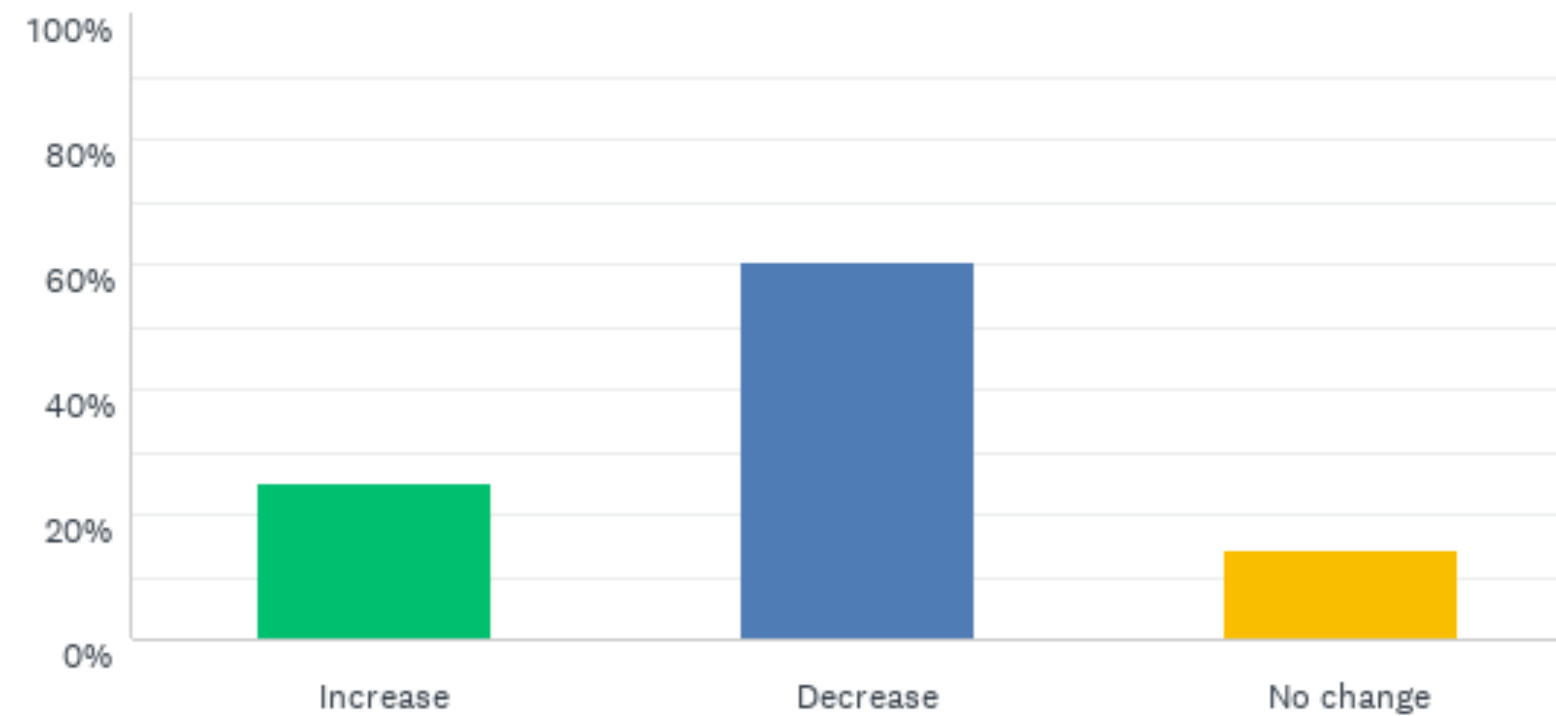

How far into the future have you strategized?

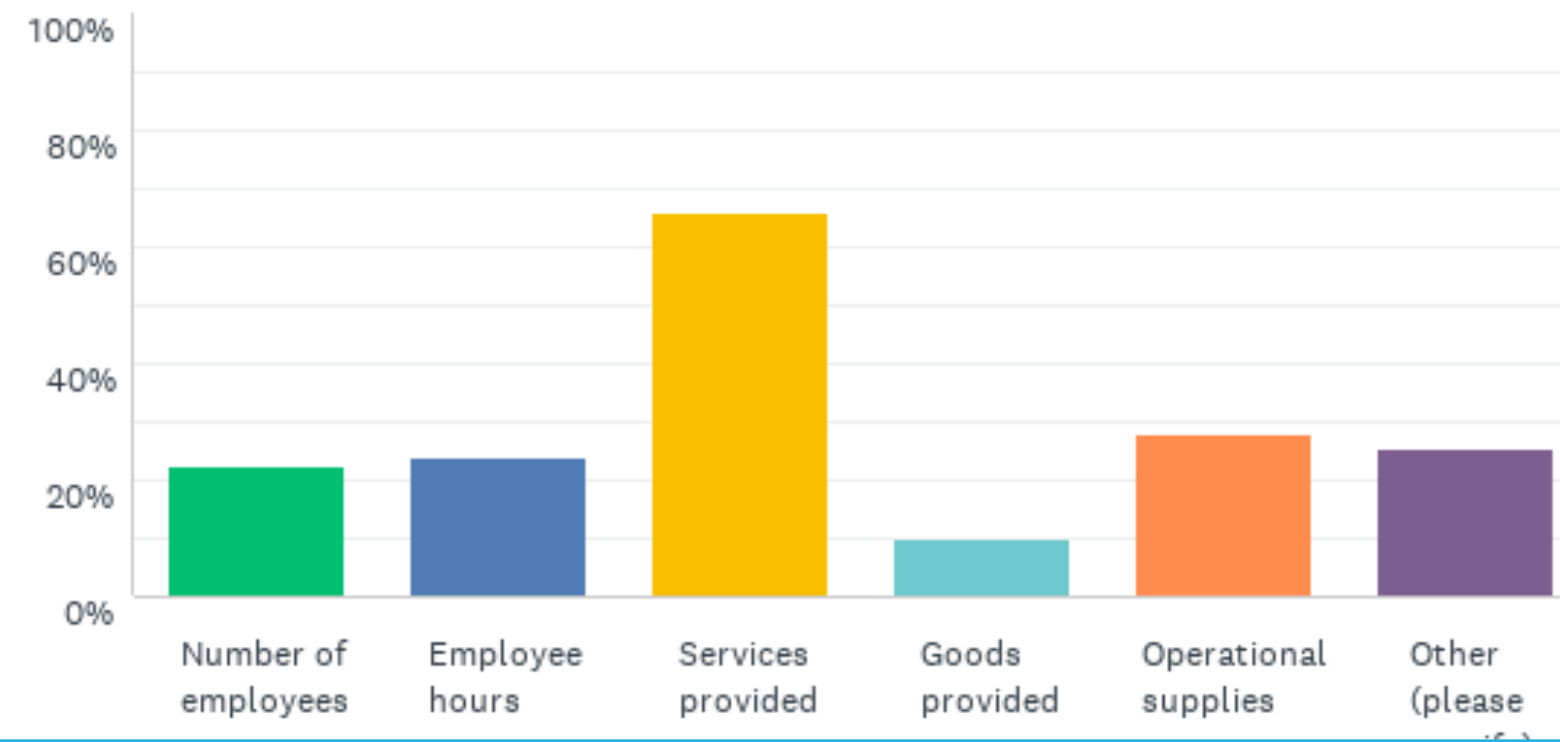

Approximately 60% have had to decrease their services provided since March.

Has your organization had to increase/decrease the services you provide as a result of Covid-19?

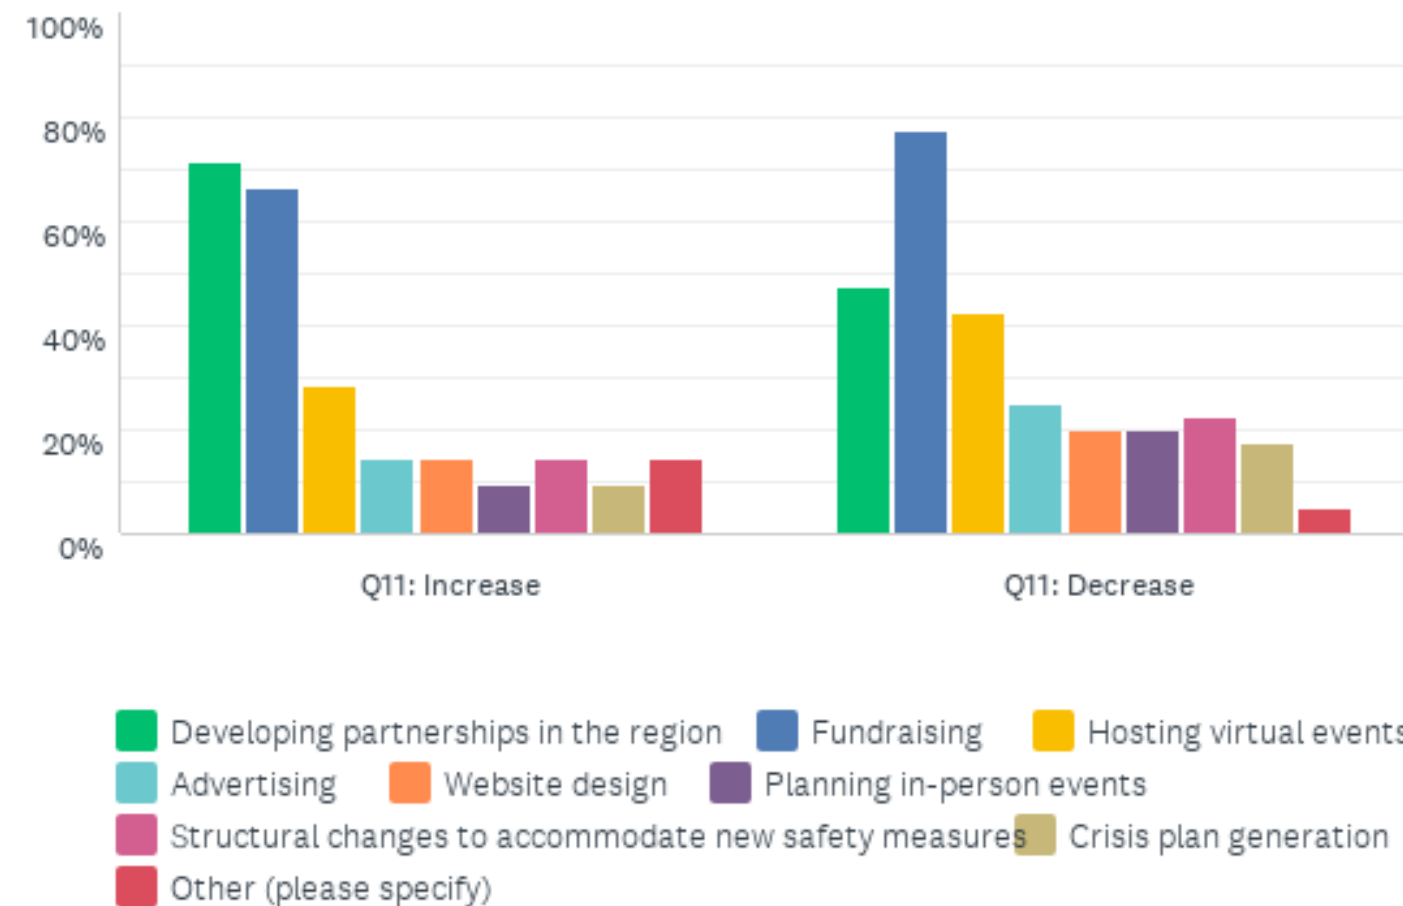

Has your organization had to make cuts in any of the following areas?

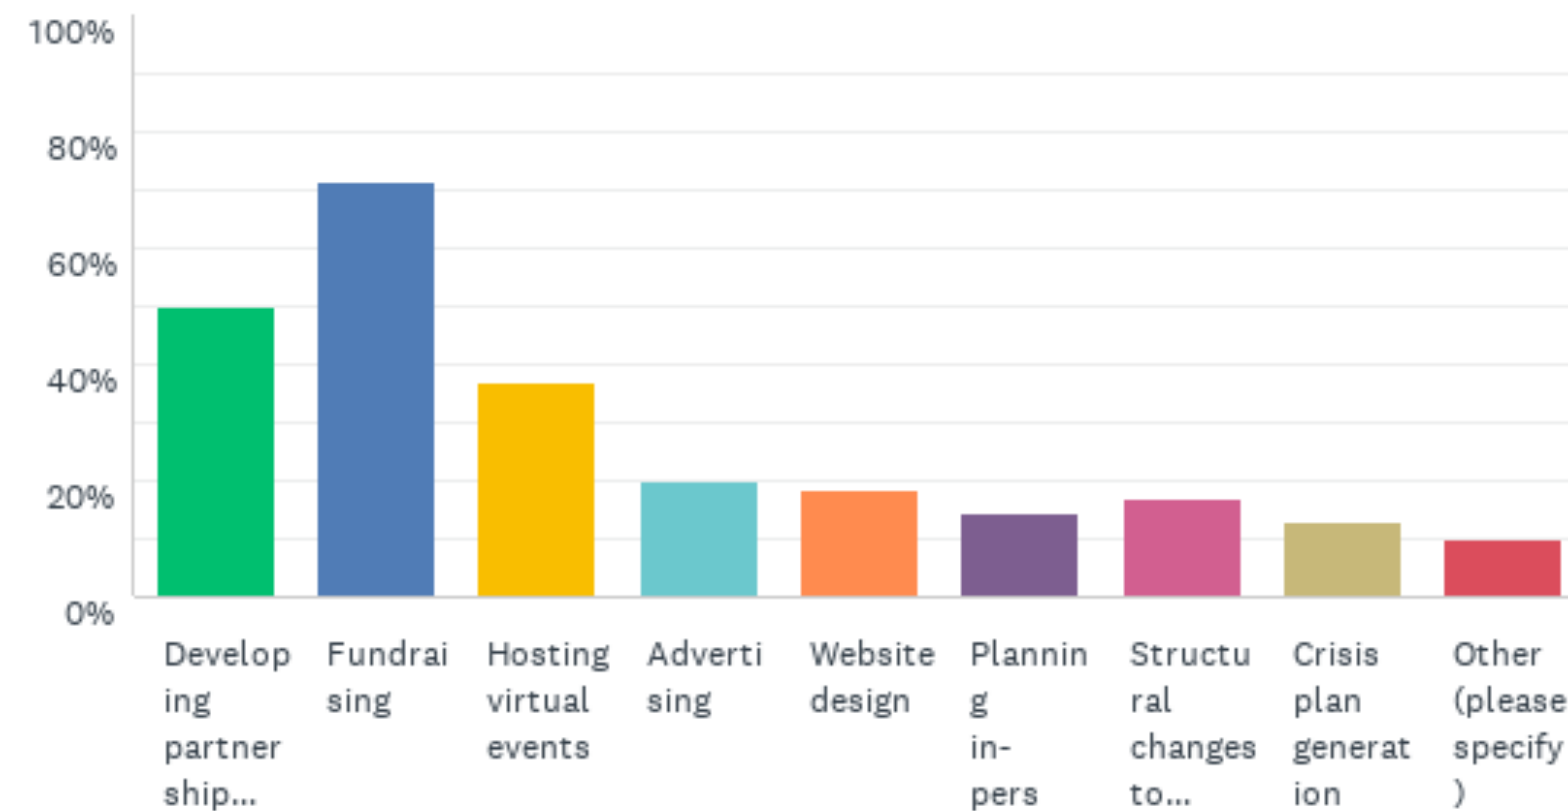

Those who have **decreased** services report needing the most **help** with strategic planning of **fundraising**, as well as greater **losses in volunteers**.

Do you need assistance with strategic planning in any of the following areas? Please check all that apply.

In terms of **strategic planning** needs, most want **help with fundraising and developing partnerships** (only half have connections to larger NPOs, for example).

Do you need assistance with strategic planning in any of the following areas? Please check all that apply.

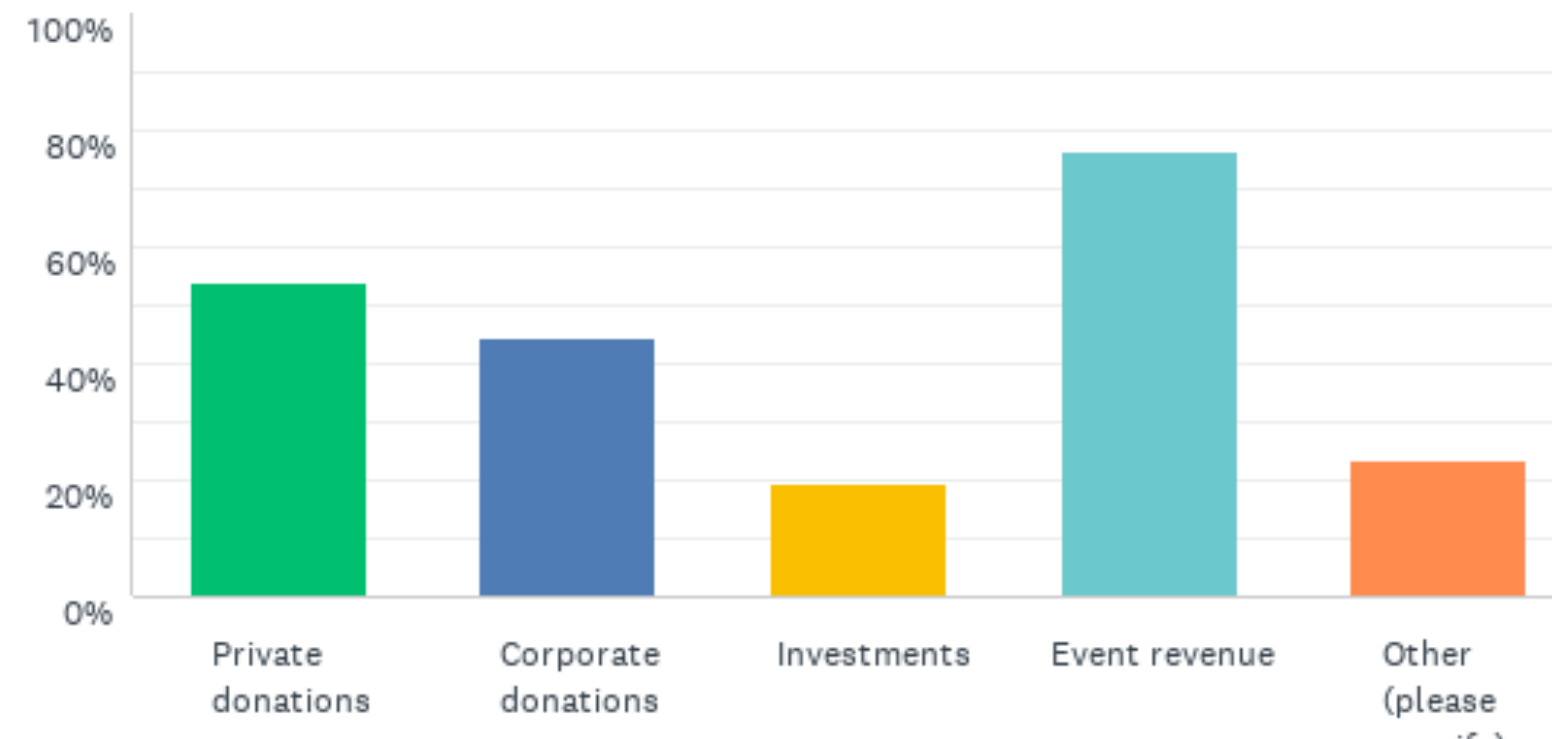

Have you seen a decline in the number of volunteers since March?

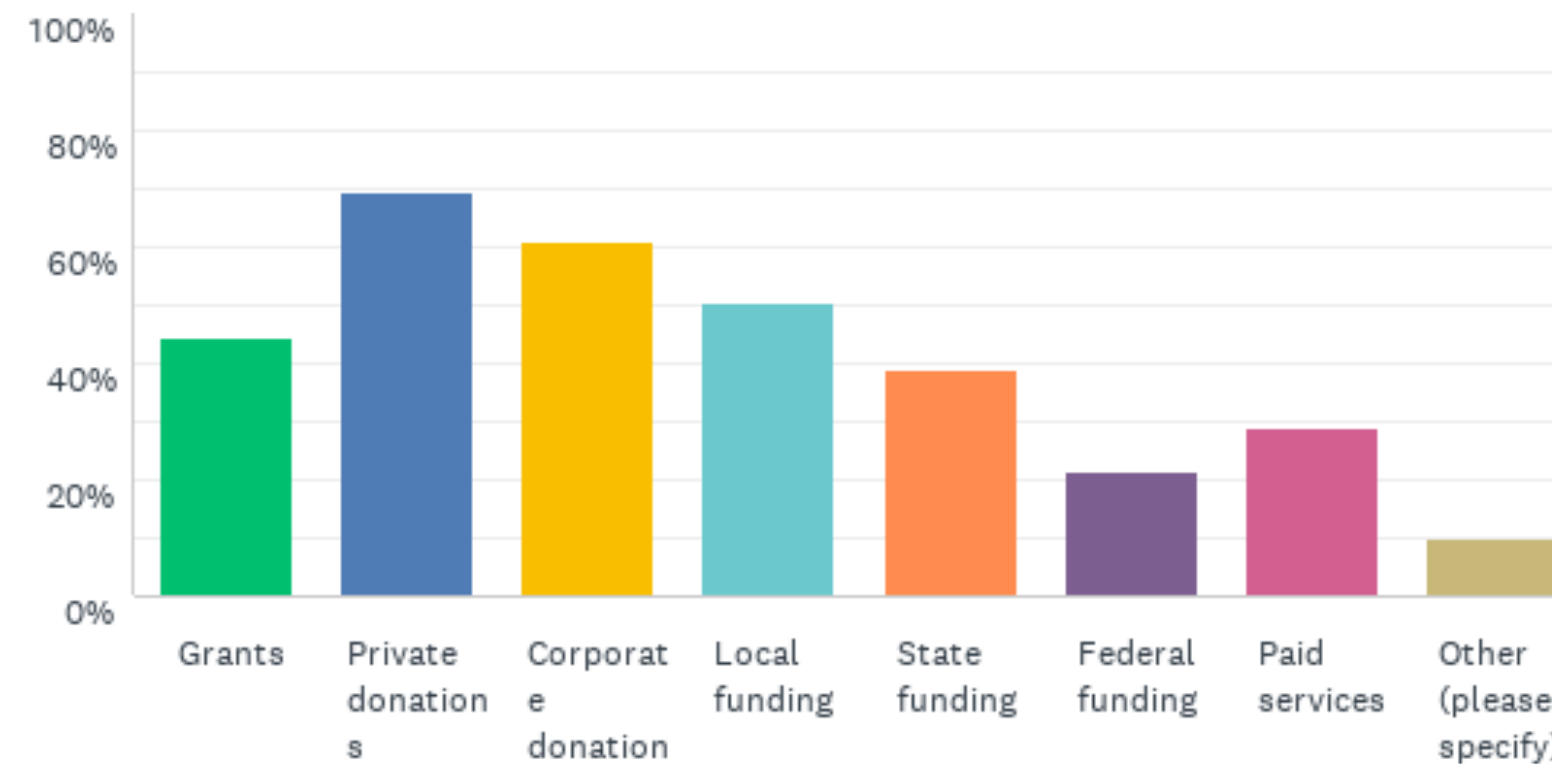

The greatest source of **lost** revenue is from **events**, followed by both **private** and **corporate** donations.

What, if any, sources of income has your organization lost since March?

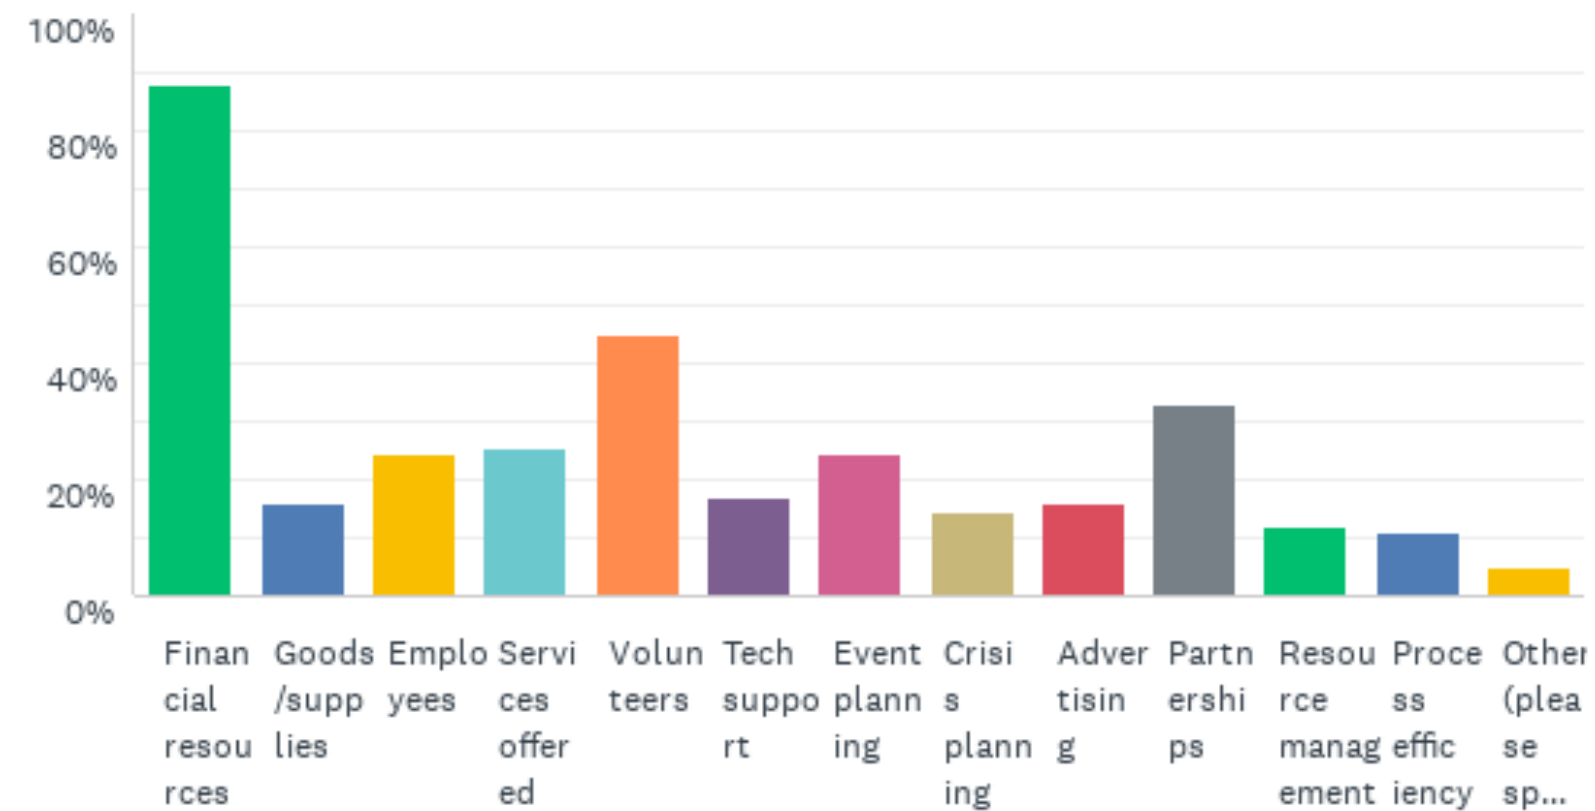

They anticipate the greatest **future** losses coming from **private** and **corporate** donations, followed closely by **local** funding.

Do you anticipate long-term financial impacts of Covid-19 from any of the following sectors?

Going forward, their most imperative anticipated **needs** are **financial** resources and **volunteers**.

What do you anticipate being the most imperative need(s) of your organization, in order for it to be able to continue to service your community?
