WAYNESBURG UNIVERSITY

Dear Waynesburg University Families,

Welcome to Waynesburg University and greetings from the Office of Student Development! We are very excited to meet you and we look forward to assisting you during your college journey. We are so pleased that you will be attending Waynesburg University to pursue your career goals and make the connections between faith, learning and serving; to lead a life of leadership and purpose for the glory of God.

As the Dean of Students, I provide oversight and leadership in the following areas: Health Services, Center for Service Leadership and Cultural Diversity & Belonging, Office of Residence Life, Counseling Center, and Student Engagement. These resources and the staff within Student Development are committed to creating a positive and impactful educational experience for our students. We encourage you to contact our Student Development office at studentdevelopment@waynesburg.edu if you have any questions.

We look forward to meeting you!

Blessings,

Kelley Hardie
Dean of Students

Athletics

All new resident students are required to get a physical exam from their personal physician (please see *Health Services* for more information). All student athletes will also receive a mandatory physical exam once they arrive on campus. Please see the Athletics web-page for more information. Those who have not received the athletic department paperwork or have misplaced it, should contact your head coach. **Student athletes WILL NOT be allowed to participate in their sport until athletic medical forms are completed. All student athletes must have active health insurance to participate in varsity and club sports.**

Athletic Equipment

Athletic equipment is provided to student athletes at no extra cost. The cost for this equipment is incorporated into the cost of tuition and fees.

Spring Break Trips

Waynesburg University offers student athletes the chance to compete against quality competition in appealing locations during Spring Break. The baseball, golf, softball, and tennis teams regularly travel to warmer climates to start their seasons. Each sport may conduct some type of fundraising campaign by the student athletes to help finance the cost of trips.

PAC Complimentary Passes

For sports that charge an entry fee, each student athlete is given four PAC (Presidents' Athletic Conference) Complimentary Passes at the beginning of the season. It is up to the student athlete to choose who receives these passes. **The passes provide free entry to any Waynesburg University athletics home game or any away game at Allegheny, Bethany, Carnegie Mellon (football), Case Western (football), Chatham, Franciscan, Geneva, Grove City, Saint Vincent, Thiel, Washington & Jefferson, and Westminster.**

Class Absences by Student Athletes

Student athletes will not be permitted to miss class due to a scheduled practice. Student athletes report to their practice once they are finished with class. **Student athletes are permitted to miss class time for scheduled games;** however, it is the student athlete's responsibility to get excused from class and follow-up with the professor.

Cheerleading

Any student at Waynesburg University is encouraged to try out for the cheerleading squad. The squad attends all home games for football and men's basketball. For more information contact Angelica Good at angelica.good@waynesburg.edu.

Intramural Opportunities

In addition to the 20 varsity sports offered at Waynesburg University, numerous opportunities are available for students to become involved in intramural sports. Waynesburg students are notified of upcoming intramural seasons through their student emails and through myConnect. The offerings rotate throughout the semester and have included: **cornhole, flag football, indoor soccer, playing card tournaments, and basketball.** For further information about intramural sports call Tom Weiler at 724-852-3360 or email at thomas.weiler@waynesburg.edu.

Athletic Facility Directions

Rudy Marisa Fieldhouse (Basketball, Volleyball, Wrestling) The Fieldhouse is located on campus at the corner of Washington and Wayne streets (building number 14 on your university map.) **GPS address: 51 West College Street, Waynesburg, PA 15370.**

John F. Wiley Stadium (Football, Soccer, Lacrosse) I-79 Waynesburg exit #14. Take PA 21 West towards Waynesburg. Turn right at the 4th traffic light (if you exit I-79 coming from the south, it will be the 5th traffic light) onto PA 21 West / US 19 North (at the Auto Zone). Proceed 1.3 miles (PA 21 West / US 19 North becomes High Street). Make a left at the traffic light from High Street onto Porter Street (McCracken Pharmacy will be on your right). Stay straight on Porter Street through the next traffic light (crossing Greene Street) and proceed down the hill. Turn right from Porter Street onto Lincoln Street. At the stop sign, turn left from Lincoln Street onto East Street. Wiley Stadium is on the immediate left. **GSP address: 285 South East Street, Waynesburg, PA 15370.** (Please Note: This is the address for the commercial garage across from the ticket booth. This site cannot be used for parking. There are several lots and off-street parking around the stadium and in the vicinity.)

Athletic Field Complex (Baseball, Softball, Tennis) I-79 Waynesburg exit #14. Take PA 21 West towards Waynesburg. Turn right at the 4th traffic light (if you exit I-79 coming from the south, it will be the 5th traffic light) onto PA 21 West / US 19 North (at the Auto Zone). PA 21 West / US 19 North becomes High Street as you come into Waynesburg. Travel through Waynesburg, continuing on PA 21 West for 2 miles. The complex is on the left, visible from PA 21 West. **GPS Address: 4260 West Roy Furman Highway, Waynesburg, PA 15370.** (Please Note: The complex is approximately one tenth of a mile past this address, on the left side of the road. Parking is accessible through a small gravel driveway to lots between the tennis court, baseball field and softball field).

Greene County Country Club (Golf) I-79 Ruff Creek / Jefferson exit #19. Take PA 221 South towards Lippencott and Jefferson. Travel for 5 miles. The Country Club is on your right, just prior to the end of PA 221 South and junction of PA 188. **GPS Address: 1044 Lippencott Road, Waynesburg, PA 15370.**

Campus Ministry

The Center for Campus Ministry

The main meeting place for campus activities is the "Hub". Located on the first floor of Stover Campus Center, the "Hub" has a living room-like atmosphere with couches, coffee, music, resources, and access to campus ministry staff. During the week, it is the home to many Bible studies and is a space for Christian fellowship. Students can also visit Becky Juliano, the Coordinator of Campus Ministry, whose office is located here.

How can students get involved in campus ministry?

- **Weekly Chapel Worship Service** each Tuesday at 1 P.M. in Roberts Chapel.
- **Upper Room** every Sunday at 8 P.M. (contemporary, student-led worship & student testimonies) meets in Roberts Chapel.
- **Fellowship of Christian Athletes** meets on Tuesdays at 9 P.M. in the Old Gym.
- **Delight Women's Ministry** meets on Wednesdays at 7 P.M. in Stover 300's.
- **Newman Club** (Roman Catholic-sponsored fellowship) holds meetings at various times and a college student mass at St. Ann's on Sundays at 7 PM.

In addition to these regularly scheduled programs, students may also participate in:

- **Small group Bible studies** meet in the various residence halls. These are often led by Campus Ministry Assistants (CMA's). Times are posted at the start of the semester in all residence halls and in the "Hub".
- **The Lamplighters**, the university's touring and concert choir.
- **The University Chapel Band** and opportunities to lead in Chapel services.
- **Retreats and Conferences:** Fall Retreat and Jubilee Conference in Pittsburgh.
- **Attending local churches:** Many WU students not only attend, but actively serve in various youth ministries or worship bands of local churches.

Is Chapel attendance mandatory?

Chapel attendance is **not** required; however, this is a great opportunity for the campus community to come together for worship and to grow in faith together. Chapel often features guest speakers: faculty members and off-campus guests that provide scripture-driven messages that point attendees to Christ.

Does the University conduct Sunday morning worship services?

No – We encourage students to become part of local church communities.

What churches are located in the community?

There are many churches in the immediate vicinity of Waynesburg University, several within walking distance. Students may carpool to other locations.

A list of area churches is included in this guide.

How can a student get involved in campus ministry at Waynesburg University?

Students with interest or questions can contact University Chaplain, Josh Sumpter jdsump@waynesburg.edu or Becky Juliano, rebecca.juliano@waynesburg.edu.

Students can also visit the "Hub" on the first floor of the Stover Campus Center to build relationships with fellow students, learn about opportunities in campus ministry, and connect with campus ministry staff.

WAYNESBURG
UNIVERSITY

The Center for Service Leadership

Service is in the DNA of Waynesburg University and service leadership characterizes the mission, goals and activities of our institution.

Consistent with the WU mission, the Center for Service Leadership challenges students to pursue lives of purpose. Our students become servant leaders who make connections between the head, hands, and heart.

Waynesburg University's commitment to service:

- Involves partnerships with over 50 local, regional and international service agencies such as: The American Cancer Society, The Salvation Army, Eva K. Bowlby Public Library, Habitat for Humanity, and The Ronald McDonald House.
- Engages students in service learning classes that blend lecture and practical application.
- Provides service trips throughout the summer and during school breaks to locations such as: The Dominican Republic, Bahamas, Philadelphia, Gettysburg, North Carolina, Florida, and more!
- Provides weekly Service Saturday opportunities, evening service projects, and campus wide service days.

Commuting Students

Parking:

There are several university parking lots (they fill up quickly) where students with a parking permit are permitted to park. Freshmen can complete the Freshman Parking Permit Request Form under the New Student Tab of myConnect. The parking permit is \$20.00 and is available for pick up during Welcome Days at the Department of Public Safety, located on the first floor of the Stover Campus Center. Parking in a university lot is **not guaranteed**, even with a parking permit. On-campus university parking lots are clearly marked; therefore, students should ensure that they are safely parking in designated areas only. **There is free on-street parking available surrounding the campus.**

Food Service:

Commuting students may purchase a Five-Meal Plan for \$1280 per semester, which includes any 5 meals per week **PLUS \$300 flex dollars**. Meal swipes for the 5 meals per week may be used at Benedum Dining Hall (all-you-can-eat) or at the Beehive (meal exchange equivalency). **Flex dollars may be used at those locations and at the Starbucks, 24/7 Mini-Convenience Store and Chick-fil-A.** Students may also purchase individual meals and snacks without a meal plan at any of the dining facilities, which accept cash and credit card payments.

Health Services:

All students are required to complete a Medical History Form and be up-to-date with all immunizations. All completed forms must be returned to Health Services. Students have access to the university nurse, who provides health services on campus. **For more information, see the Health Services page.**

Academic Services:

Commuting students have access to the computer labs on campus. Commuting students also have access to peer tutors, writing lab, and math tables.

Student Engagement / Student Activities:

All students pay a university fee, which includes funding for student activities, and clubs & organizations. You can find a complete list of **clubs and organizations** on the webpage. **We encourage the students to take advantage of all programs, trips, and student activities offered.** There is an active Student Activities Board (SAB) that plans events for the campus. **The SAB meets every Thursday at 1 P.M. in Stover 301.** All are welcome to attend.

Commuter Club:

Commuting students are encouraged to join the Commuter Club. This club offers our commuters a chance to feel a part of the University life. **Stover 203 is designated as our Commuter Lounge**, giving students a place to relax with other commuters between classes. Monthly programs are offered specifically for our commuters.

Counseling Center

The Counseling Center is located on the third floor of the Stover Campus Center. Counseling is **confidential** and **free** to all Waynesburg University students.

We are open from 8:30 AM – 4:30 PM Monday-Friday.

In person or online appointments are available. Evening hours are also available.

What issues does the Counseling Center address for students? The Counseling Center can help students with academic, career and personal concerns. We counsel students with a variety of mental health issues such as anxiety, depression, post-traumatic stress, eating disorders, relationship concerns, grief and homesickness. We also work with students to help them improve their study skills and explore major/career options.

What credentials do the counselors have? All full-time counselors have Master's degrees, extensive continuing education credits and state licenses to practice counseling. Graduate interns are currently in CACREP counseling graduate programs.

My student takes medication. Do you have a physician who will prescribe it? We encourage students to continue to see their home physician. If this is not possible, we can refer students to a local psychiatrist for medication and/or related matters.

Will counseling become part of my student's academic record? No. Counseling Center records are accessible only to the Counseling Center staff.

My student has not decided on a major. How can you help? It is quite common for a student to begin college with an undecided major. Our staff specializes in

working with undecided or "exploring" students and offers a Career and Life Planning class that helps students clarify their career goals.

Will I know if my student is receiving counseling? Counseling services are confidential; therefore, we cannot report to parents or anyone else that a student is receiving services. However, when we feel parental involvement is warranted, we discuss the option with the student and request permission to contact parents. Also, if we are concerned that a student may be at risk from suicide, self-harm, or abuse, we take any necessary steps to keep the student safe. Generally, this includes contacting parents if the student provides consent.

Can I refer my student to counseling? Yes. If you have concerns as your student enters college, or if you notice a change in behavior that worries you, please inform him/her about counseling services. Often, parents call us if they have a concern and ask us to contact their student. If your student has had counseling in the past, or has a mental health diagnosis, please let us know so that we can offer appropriate support. We will be glad to explain our services and invite your student to participate. However, we can only give a parent feedback about participation if the student gives us permission to do so.

Our counselors would be happy to assist you via email to set up an appointment.
Contact us at counselingcenter@waynesburg.edu

Health Services

The Health Services Office is located on the ground floor of the Wiley Armory Building, 61 North Washington Street.

Nurses are available Monday through Friday, 9 A.M. to 4 P.M.

- **Health Services is free of charge to all students. We treat minor illnesses and injuries.** If more care is required than we can provide, we will help coordinate the off campus medical care that may be needed. We provide small amounts of over-the-counter medications and loan out cool mist humidifiers, heating pads, and crutches.
- **All resident and commuter students are required to have completed health forms on file before entering the University. Any student who neglects to turn in a health form may not be treated by Health Services. Any resident hall student who does not produce proof of meningitis vaccine or sign the meningitis waiver form, will not be given access to the residence halls.** Medical forms are located on the New Student tab on myConnect.
- **Waynesburg University does NOT offer a student health insurance plan.** To find out what individual health plans are available through the marketplace where you live, **visit Healthcare.gov.**

For emergencies and after-hour care, call Public Safety at 724-852-3303 and 911.

Mail Room & Other Services

The following services are also available to our students:

Mail Room Services

- **All student mailboxes are located on the 2nd floor of the Stover Campus Center.** Every resident student is given a mailbox and is encouraged to check their mailbox regularly.
- **Students are able to purchase stamps and postage** during mailroom business hours.
- **Please use the four-digit mailbox number (not P.O. Box) when addressing mail to your student.** All mail should be addressed as follows:

Address Line #1: **Student Name**
Address Line #2: **Waynesburg University**
Address Line #3: **51 West College Street**
Address Line #4: **Box XXXX**
Address Line #5: **Waynesburg, PA 15370**

PLEASE DO NOT USE A RESIDENCE HALL ADDRESS OR ROOM NUMBER

- **Please do not place an order from Walmart or any other store to be delivered to your student via a local delivery service. We accept packages or deliveries for your student ONLY from the United States Postal Service (USPS), DHL, FedEx or UPS.** These deliveries are logged and tracked by mailroom staff. Local delivery services have left the items after mailroom hours in an area that is accessible to all students, staff and faculty. **Waynesburg University will not be responsible for any deliveries left in this manner.**

Shuttle Services

- There is a shuttle service available to our students which provides transportation to the **Pittsburgh International Airport**, the **Greyhound bus station**, and the **Amtrak train station** in downtown Pittsburgh. This service is provided for students who have airplane, train or bus reservations.
- The schedule covers **all breaks and holidays** and is available through the Student Engagement Office.
- **Students must reserve a space on the shuttle at least 5 business days in advance.** The shuttle does not run unless there are reservations.
- The fee for using the shuttle is **\$25.00 each way**.
- **The Grey Line is operated out of Morgantown, WV.** It provides 3 daily trips 365 days per year to the Pittsburgh Greyhound station and the Pittsburgh International Airport. Pick up and drop off is off-campus at the Greene County Airport, 417 East Roy Furman Highway, Waynesburg. For more information or to make reservations, visit their website at www.busrise.org or call 304-296-3869.

Banking Services

There are four banks located in downtown Waynesburg:

- Community Bank
- PNC Bank
- First Federal of Greene County
- First National Bank of Pennsylvania

An ATM (provided by First Federal) is located in the Beehive, 2nd floor of the Stover Campus Center.

Parking / Transportation

- **All student vehicles parked on campus property must be registered at the Department of Public Safety.** Students with vehicles must purchase a parking decal that is renewable at the start of the school year. Resident and commuter decals are \$20 and can be picked up in the security office between the hours of 8 a.m. to 4 p.m. Evening students should also visit security for their decal.
- **Commuting students may use designated commuter parking lots on and around campus.** These designated lots are located on Franklin Street, Morris Street, the lots adjacent to the Stover Campus Center, Thayer Hall, and Benedum Dining Hall. **Street parking is also available.**
- **Parking on campus is very limited.** Freshmen resident students are not permitted to have a vehicle on campus without special permission. Permission will only be granted for those with home addresses greater than 100 miles away, a local job, or other special circumstances. The application for a freshman parking pass is located on the New Student Tab on myConnect.
- **Parking citations will be given for any vehicles parked illegally or in wrong parking lots.** These parking citations may be paid at the Department of Public Safety or at the Business Office. **Failure to pay parking citations may inhibit future registration activity or receipt of transcripts.** Consistent parking in undesignated areas may result in revocation of parking privileges.
- **If the student has car trouble, Public Safety officers are available for assistance.** In some cases, the Public Safety officers will notify a local towing company for assistance (locked keys in vehicle, flat tires, etc.). **The Department of Public Safety does have a “booster box” that can be used by the student.**

Public Safety Tips and Information

It is always important for individual students to be aware and practice common safety guidelines for themselves and their property.

The Department of Public Safety is located on the first floor of the Stover Campus Center. Personnel are available 7 days per week, 24 hours per day at 724-852-3303 to assist with safety and security concerns. If an officer is not available in the Public Safety Office, please use the phone located on the wall next to the Public Safety office.

- ✓ **Students should report to Public Safety or Residence Life Staff any suspicious activity or unknown and unescorted persons loitering on or around the campus.**
- ✓ **When walking around campus or in town during the evening hours, students should travel in pairs or groups. Any student returning to campus in the late evening and parking in a remote location may request a Public Safety escort to his/her residence hall.**
- ✓ **Students should oversee their personal belongings.** Residence hall rooms and vehicles should be locked when the student is not immediately present. **Report to Public Safety any instances of loss or damage of property and possessions.**
- ✓ **Students should report any incidents of university violations or inappropriate conduct to Public Safety officers.** An investigation will be conducted and a report will be filed. In cases of criminal activity, reports may also be filed with the Waynesburg Borough Police, located at 90 East High Street, Waynesburg or by calling 724-627-8113. **As an educational institution, any incidents involving students may result in disciplinary action. The university disciplinary action does not protect or serve as a substitute for criminal prosecution.**

Student Care Packages

We help YOU take care of YOUR student when they need you – Finals Week!

We know final exams require lots of energy and dedication to stay focused and awake for the best study result.

We also know that shipping boxes of snacks to your student when they need it most takes time and work for you - and we love to help.

You will be notified by email after fall and spring breaks with information on how to order a Care Package for your student.

- Every student care package includes a **WU gift** (determined during the semester), in a bag filled with their favorite late-night study snacks, and a **personalized note from you**.
- **Orders must be placed by the deadline, which will be indicated on the email you receive from Student Engagement, in addition to the cost and ordering information.** We recommend placing your order as soon as you receive the information so we can order the appropriate number of WU gifts. **Unfortunately, we cannot guarantee orders received after the deadline.**
- **Does your student have an allergy? No worries.** Once you notify us of the allergy, we will do our best to accommodate the request.
- **Can commuting students receive care packages too? Even if your student resides with you, they will enjoy receiving a bag of treats for study time at home.** Each of our students look forward to receiving their Care Package with your personalized note attached.
- **How will my student know they are receiving a care package?** Student Engagement will send a text message to the student informing them that they have received a Care Package.

The Pathways Center

The Pathways Center is an initiative to provide comprehensive student support services including Tutoring, Mentoring, Disability Services, Career Development, Vocational Exploration, MUM System, Student Work Study Program, the Act 101 Educational Enrichment Program, Library Services, the Writing Center, and more.

The Pathways Center is located in Eberly Library with collaborative referrals to and work with the Counseling Center, Student Development, the eHIVE, Alumni Relations, Athletics, academic programs and others.

This document covers:

- **Peer Tutoring**
- **Disability Services**
- **Career Development**
- **Student Work Study Program**
- **New Student Scheduling and Advising**
- **Act 101 Educational Enrichment Program**
- **Writing Center**
- **Library Services**

The Center strives to aid students with their academic coursework and to develop and/or strengthen fundamental skills to equip students for current and future success.

Peer Tutoring

Where can a student find tutoring on campus?

The Pathways Center tutoring space is located on the bottom level of the Eberly Library. The university offers free peer tutoring in most general education courses and some major-specific courses, in addition to study groups/tables and exam review sessions upon request.

How does a student get connected with a tutor?

Students log on to www.waynesburg.mywconline.com where they will schedule their appointment based on available courses and corresponding tutors. Students can access a link to the website on their myConnect homepage. If the class in which they are seeking tutoring is not listed, they should contact Jaime Stanny Emerson at jaime.stanny@waynesburg.edu or submit a request for a course to be added through the "Peer Tutoring Master Form" also available on myConnect.

Who will be tutoring my student?

Faculty recommend the students who will be tutoring their courses. To qualify as a tutor, students must have an A or B in the class for which they tutor and demonstrate effective communication skills. The Waynesburg University tutors receive appropriate training prior to tutoring and are overseen by a member of the Pathways Center for supervision.

My student excels in a specific subject and needs a campus job. How does a student become a tutor?

Students interested in registering as a peer tutor can apply using the "Peer Tutoring Master Form" on myConnect. The professor for the course must submit a recommendation on behalf of the student before the process will continue.

What help is available in math and writing?

Tutors are available for specific math courses. The campus Writing Center is available to all students, in any course, for assistance in all areas of writing. The Writing Center schedule is posted at the beginning of each semester. Students can make Writing Center appointments online using the same link for tutoring.

Disability Services

Where is the Disability Services Office located?

The Disability Services Office (DSO, herein) is located on the bottom level of the Eberly Library.

My daughter has a diagnosed disability. Are any services offered at the university level?

A variety of accommodations are available to assist students with disabilities at Waynesburg, though they will likely differ from what a student had in high school, and students must self-disclose disability and follow University procedures to initiate services. Students interested in arranging accommodations at WU are encouraged to review the Disability Services [website](#) to learn more or to contact DSO Coordinator Sarah Feldberg at sarah.feldberg@waynesburg.edu.

My son registered with the DSO and receives formal accommodations, but his instructors claim they are not aware of his condition.

At the college and university level, instructors of classes are not informed of student diagnoses. The DSO Coordinator notifies faculty about approved academic accommodations **without** any mention of specific disability or diagnosis. Students are encouraged to discuss implementation of approved accommodations with professors at the start of the semester; if desired, students may reveal diagnosis to their professors, but this is the student's choice. The DSO Coordinator is happy to guide students about self-advocacy and faculty communication as needed.

My grandson thought he didn't need academic accommodations he received in high school. Now, he is struggling midway through the first semester. Is it too late to register with the DSO?

No. Though we do encourage connecting with the DSO as early as possible, accommodations can still be established during a semester. Please note that accommodations cannot be applied retroactively to past assignments or exams submitted before the student connected with the DSO, however.

My niece says she has test anxiety. Can she receive accommodations?

Most students experience a degree of anxiety when being tested. However, accommodations are provided to students with substantially limiting documented disabilities/diagnoses. In the absence of a diagnosed disability, the student may discuss their situation or concerns with the DSO Coordinator, who *may* be able to recommend regional resources for care or evaluation depending on the situation.

My daughter is really struggling and is claiming she may have a learning disability. She was never tested for a learning disability in high school. What can she do now?

Waynesburg University does not provide diagnostic services for students with disabilities. Students who think they may have undiagnosed learning disabilities are encouraged to consult with health insurance and health care providers. In some instances, the DSO Coordinator may be able to recommend regional resources, but students/their families are responsible for direct coordination and cost of all diagnostic services.

My son registered with the DSO and received accommodations during the first semester. But his instructor during the second semester is unaware of the accommodations. Why so?

Since schedules and instructors change each semester, students are responsible for renewing academic accommodations on a semester basis. The DSO Coordinator provides extensive reminders and guidance about the process at the beginning of each new semester to the student via university email. Additional documentation is generally not required for renewal of permanent accommodations; students are only asked to identify which faculty members they would like to be notified of their accommodations.

What if my son/daughter student has dietary needs/food allergies?

WU's Dining Services provider, Aladdin, provides several options to meet the needs of students with many common food allergies. For instance, Benedum Hall includes a station called the A-Zone where items prepared without the 9 major allergens identified by the FDA (milk/dairy, eggs, fish, shellfish, tree nuts, peanuts, wheat, sesame, and soybeans) are served at both lunch and dinner. Students are encouraged to review dining services information and/or consult with the Dining Services Director prior to connecting with Disability Services. In many instances, existing options will be available to meet student needs without formal accommodation. However, students with conditions that impede participation in the meal plan are encouraged to review the University's [Dining Accommodation Policy](#) and consult with the [Disability Services Coordinator](#).

What about residential accommodations?

Students interested in requesting residential accommodations are encouraged to review the University's [Disability Services website](#) and [Housing Accommodation Policy](#) and consult with the DSO Coordinator. Please note that the University has established a priority deadline of **July 1** for housing accommodation requests for incoming students for the 25-26 academic year. While requests received after July 1 will be considered, the University cannot *guarantee* housing accommodation after this date.

It is also often helpful to note that residential accommodation requests are evaluated to determine medical/mental health *need* for the requested accommodation, rather than preference or success-based considerations like the desire for a quiet place to study.

Student Work Study Program

On-Campus Employment

The On-Campus Employment Program at Waynesburg University focuses on providing continuous growth opportunities for Waynesburg University students. More information is available online at www.waynesburg.edu/campus-employment-program-students.

Work-Study Eligibility & Application Process

Students who qualify for Federal Work Study will be informed through the financial aid process. Those who choose to apply for on-campus openings will be prioritized in the hiring process. Students must create a one-page resume prior to applying. The application is housed in Handshake, which students can access on myConnect. After students have logged into Handshake, they should complete the following steps:

- Click the "Jobs" tab on the homepage
- Filter the search to "Work Study"
- Review openings and apply

Advising & Scheduling

My son received his schedule back in April, but he just received notification that his schedule has changed. I already bought the books!

We always caution that the schedules are tentative. There can be many reasons why schedules change—many of which are beyond our control. We do advise that when buying/renting books early, familiarize yourself with return policies and save receipts.

My son is enrolled in ENG 101 – English Composition I, but he took a similar class while still in high school. Will he need to take that course?

Students cannot receive credit for the same course twice. To receive credit, make sure that you send official transcripts and/or official AP scores to the University Registrar. Official transcripts are sent from the institution awarding the credit directly to Waynesburg University. **High school transcripts will not suffice.**

My nephew has MAT 444-Math Placement on his schedule. What is that?

Almost all students need to take the online Math Placement Exam. Only students transferring a course along the math sequence would not need to take the placement exam (contact Brian Carr at bcarr@waynesburg.edu if you think this applies to you). If MAT 444 is on your Fall schedule, the placement results will impact your schedule—and the changes could be dramatic. As such, it's best to take the exam as early as possible. Do note that review topics are also available in case you want to brush up on your math skills. Deposited students should have already received instructions and information on how to access the exam. You can also go directly to the website here: [Math Placement Canvas Course](#).

My daughter wants to change her major, but her schedule is already set. What can she do?

Students often change majors and it can happen at any time. If this occurs before the start of the semester, simply complete the change of major form (a link to this form was/will be contained in the e-mail informing you that your schedule was ready). If you cannot locate this form, contact Brian Carr at bcarr@waynesburg.edu or your Admissions counselor. Once the change is processed, the schedule will be revised, and you will be sent a notification of the change.

My granddaughter is a transfer student, but her schedule shows that she is a “freshman”. We were told that many of her credits transferred, so why is she still a freshman?

Transfer credits will be posted to a student's WU transcript once the student starts here. So, the “freshman” designation is because the transfer credits have not yet been posted (so the computer reads zero credits). Refer to your transcript evaluation forms to see which/how many credits will transfer.

Now my daughter wants to change her major after spending a year in another major. That's going to set her back a year. Correct?

Research shows that 2 out of every 3 college students change their major at least once. Sometimes, a switch to a different major could mean extra semesters; sometimes, not. Please consult with Brian Carr or one of the Counseling Center staff if you are considering a major change.

My son did not meet requirements in his major. He is now clueless. What can he do?

We want to see our students lead lives of purpose for the glory of God. Sometimes, this happens in a non-linear fashion. The initially chosen major may not always be a strong vocational fit. Students are continually acquiring information and gaining awareness of their own strengths and abilities; weakness can also be discovered. Both performance and interest in foundational courses should be self-evaluated. Students are encouraged to discuss vocation

with their advisors. Students can also consult Brian Carr or one of the Counseling Center staff to assist with vocational exploration and/or academic planning. WU also offers a one-credit course, WBE 105 – Career & Life Planning, to help students in this process.

As a parent, I'm nervous about my child transitioning from high school. Do you have any suggestions?

Generally speaking, here are just a few tips to help your new college student to succeed:

- Attend classes – missing classes is a primary reason for poor grades. Resist temptation to skip classes. Make attending all of your classes a priority. Sit up front & actively engage.
- Check e-mail routinely – faculty and staff predominantly utilize e-mail for communication. Check it multiple times daily, if possible, and respond appropriately.
- Buy or rent required texts – some students will attempt to save money by trying to “get by” without required textbooks. Textbooks are often the primary basis of lectures and exams.
- Be responsible – much more responsibility is on the student’s shoulders at the collegiate level. Attending classes on-time, establishing daily study routines, reading assigned chapters, and meeting deadlines are all sound practices to initiate.
- Avoid procrastination – one of the more common characteristics of a struggling student. Some say they work better “under pressure”, but that’s typically an excuse for putting off doing what you don’t really want to do. Waiting until the last minute to study, write a paper, or complete an assignment leaves less time and forces you to do what could have been done earlier—making it a larger and often more challenging task.
- Establish healthy habits – consistent sleep schedules and good eating/exercise habits can also play an important role. Attend counseling, if needed. Combat stress by finding ways to incorporate fun and relaxation into your schedule.
- Utilize campus resources – as noted herein, there are many offices and folks here at WU that want to see students succeed. Don’t let pride or fear inhibit you from getting the support you need. We’re here to help!

Act 101 Educational Enrichment Program

Students from the state of Pennsylvania who qualify for the Act 101 Educational Enrichment Program will be notified by the program director. Through this program, students are paired with a staff mentor or counselor who serves as a guide for them throughout their time at Waynesburg University. Act 101 is a grant-funded program through PHEAA. Students who qualify for this program have access to additional perks including:

- Event Funding – Act 101 students can request to have the cost of events offered through Student Activities Boards (SAB) and Campus Ministry covered.
- Service Trips – The Act 101 program will cover at least part of the cost of any Pennsylvania-based service trip that qualifying students intend to participate in (the trip must be offered through the University’s service office).
- Professional Development – Act 101 students can request to have the cost of any PA-based professional development opportunity (a conference or event) covered.
- Lending Library – A limited amount of funding is available to assist with purchasing hard-copy textbooks for Act 101 qualifying students. These textbooks will be available for student use through a lending library (students cannot individually use the book).
- Program Events – Specific events are hosted for Act 101 students throughout the academic year.

Library Services

The Pathways Center is located in Eberly Library, where several library services and supports are available to students, including:

- Individual and group study areas, where students can find a quiet spot to work independently or with a small group
- Printing stations
- Midnight hours during the week
- Access to countless resources including books, eBooks, articles, and online research
- New, bestseller book collection, which provides access to just-for-fun reading materials
- In-class workshops and one-on-one research assistance
- Assistance in finding hard to get articles and books (not textbooks) from trained librarians

Writing Center

What is the Writing Center?

From poems to lab reports, the Writing Center helps writers at all levels learn to engage in the writing process and build a toolbox of techniques that carries across their entire undergraduate experience. We are not a “drop it off and fix it shop;” instead, we facilitate personalized, one-on-one conversations about all types of writing that require the student’s active involvement. We also maintain an online resource collection through <https://waynesburg.libguides.com/writingcenter> with information about citation styles, research strategies, and tips for the entire writing process.

Where is the Writing Center?

The Writing Center is in the Pathways Center, Room B16 on the bottom floor of Eberly Library.

How do students make Writing Center appointments?

Students log on to www.waynesburg.mywconline.com to schedule appointments for either 30 or 60 minutes with a consultant of their choice. Most appointments are face-to-face, though asynchronous tutoring or synchronous online sessions may be available based on staffing capacity. Students can access the website by selecting the “Tutoring/Writing Center Website” link on their myConnect homepage.

Who works in the Writing Center?

The Writing Center staff is comprised of peer writing consultants and two administrators. Consultants come from a variety of disciplinary backgrounds, including professional writing, the sciences, and education, among others. All are strong writers who were recommended by their professors and have undergone an extensive training program. Consultants also engage in professional development sessions throughout their time at the Writing Center.

My student is a strong writer and wants to work for the Writing Center. How can they get started?

We recruit new staff each spring semester. To apply, students need a strong GPA, two writing samples (one academic and one of their choice), and two recommendations from faculty

members who are familiar with their work and can speak to how they'd fit into our team. If interested in learning more, email writingcenter@waynesburg.edu.
